The prime educational concern... is to create a learning environment in which each student can grow to her full stature as a person by becoming increasingly responsible for herself, her work and her world.

... to provide an atmosphere of freedom and creativity with access to the widest possible range of learning experiences, both in school and in the community at large.

... she will seek her role within the context of humanity as a whole by striving for wisdom and integrity.

Dedication

This individual is a friend as well as an authoritative figure to the many students who are fortunate enough to know her. She takes an interest in the students' work as if it were her own. She has been a great asset to our school in so many ways, and her efforts have benefitted all of us. These efforts have been demonstrated not only in the Upper School, but throughout the entire system: working with the Administration Team, the Board of Trustees, and the National Honor Society; creating a sense of unique unity among the Primary, Lower, Middle, and Upper Schools; and providing inspiration for the students. In appreciation for her devoted efforts, we dedicate the 1977 Crossroads Yearbook to Sister Susan Maxwell.

— The 1977 Crossroads Yearbook Staff

Why is it so hard to be like the rest of the flock?
— Jonathon Livingston Seagull

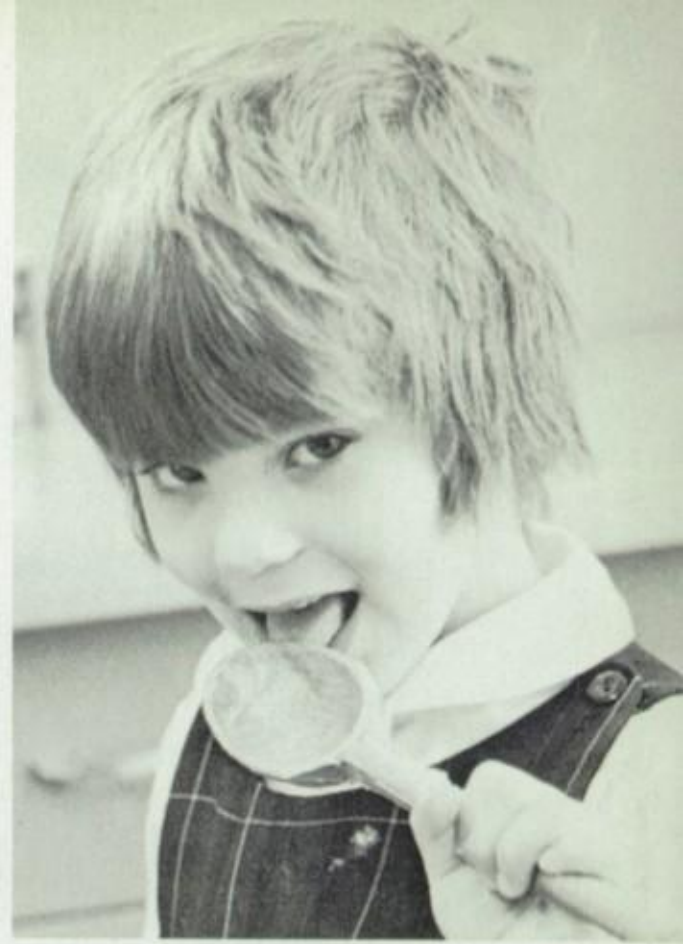

I announce the great individual, fluid
 as Nature, chaste, affectionate,
 compassionate, fully armed;
 I announce a life that shall be copious,
 vehement, spiritual, bold,
 And I announce an end that shall
 lightly and joyfully meet its translation.
 The world, the race, the soul — in
 space and time the universes,
 All bound as is if befitting each —
 yet all surely going somewhere.
 — Walt Whitman

"We're free to go where we wish and to be what we are."

Jonathan Livingston Seagull.

HOLD FAST YOUR DREAMS—
Hold fast your dreams!
Within your heart
Keep one still, secret spot
Where dreams go,
And sheltered so,
May thrive and grow—
Where doubt and fear are not.
Oh, keep a place apart
Within your heart,
For little dreams to go.
—Louise Driscoll

I AM I

I am I

Do not change me,
condemn me,
nor put me down.

Accept me for what I am.

No, you need not agree with me
but accept me,
for I am total in being.

I have my faults,
I have my guilts,
but that is who I am.

Perfect I will never be.

Allow me to be inhibited;

Do not pressure me into feeling
What I do not feel.

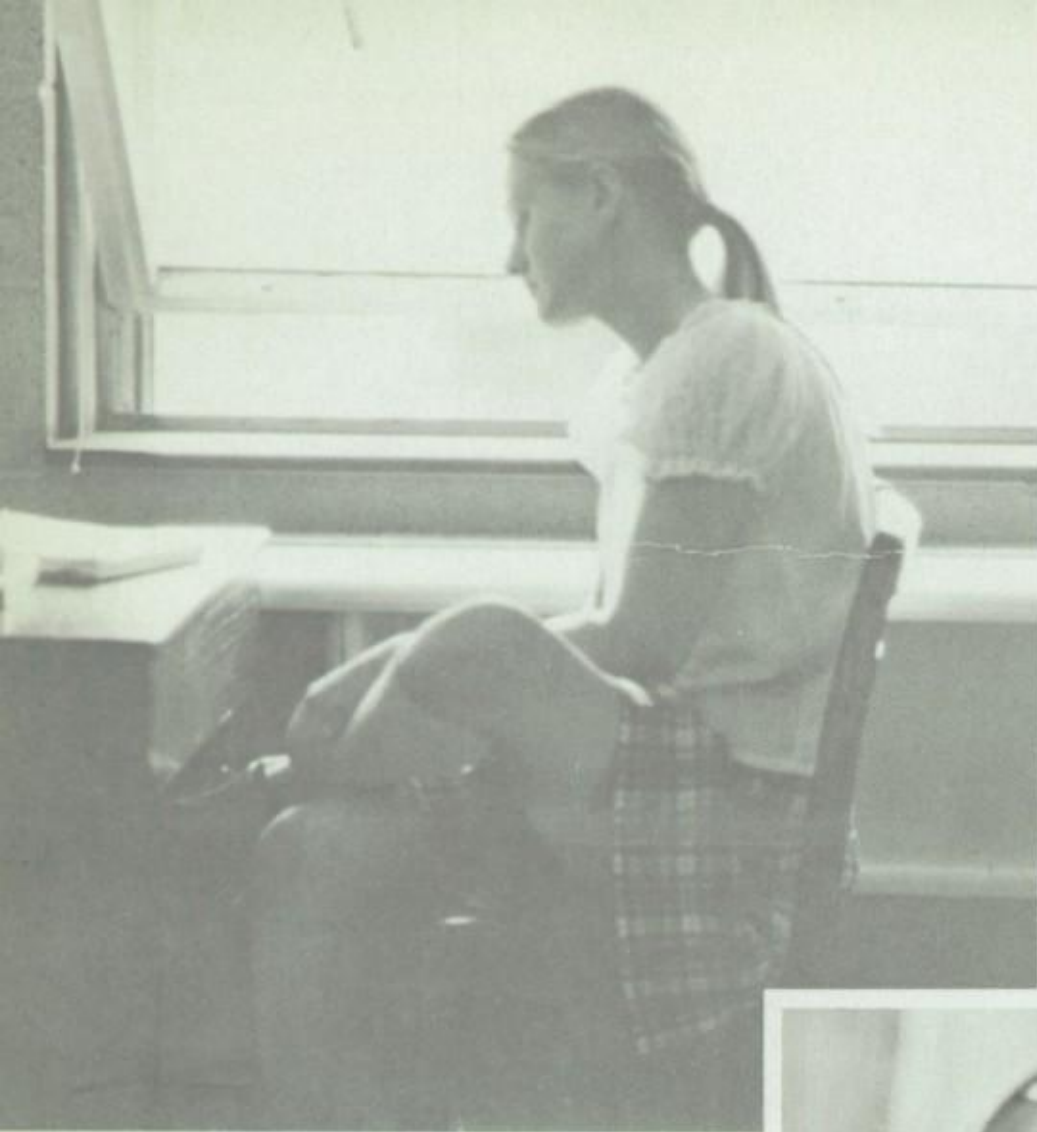

Accept me when I am flying high,
As I have accepted you when
You were flying high.

Do not put me down . . . or make
Me feel unhappy about me.

I am I

and I like being what I am:

Me.

Halfway down the stairs
Is a stair
Where I sit.
There isn't any
Other stair
Quite like
It.

I'm not at the bottom,
I'm not at the top;
So this is the stair
Where
I always
Stop.

— A. A. Milne

Close,
Wild,
and alive
I found the woods to be.
Trees stood majestic and still
and I was but a branch,
Although I was tiny,
I felt a part of the
huge forest.
Little prints of the animals
dodged over and under
the fallen trees and dashed
upon their way.
Sun seeped in between the
mighty branches
and illuminated the quiet surroundings.
I had places to
go and could not stay
to become a part of this
vision, but it remains
with the memories
for me to gaze upon
when I feel alone.

— Marcee Gray

ADMINISTRATION

Headmistress Sr. Susan Maxwell is chief of operations of the Academy, responsible for both long-range and day-to-day planning. This is indeed a heavy responsibility concerned with the spiritual and material welfare of the school. This year Sr. Maxwell is being capably assisted by Sr. Conan, a welcome new addition to the Administration staff. The four scholastic departments are in the charge of Sr. Somerville, head of the Upper School; Sr. Pendola, head of the Middle School; Sr. Dolan, head of the Lower School; and Mrs. Bisignano, head of the Primary School. Financial problems are the responsibility of Mr. Bruce Peasley, business manager. Mrs. Carol Kerr is in charge of Admissions and Public Relations.

PRIMARY SCHOOL

The 1976-77 school year is a busy one for our primary school. A playground will be built by the primary students outside of their classrooms. Also this spring, Saint Madeline Sophie will be a large topic of study.

The teachers have decided to have their students form small study groups. There are many different ideas for the students to learn about, some of them being Poetry, Music Appreciation, French, Spanish and Nutrition.

The Primary School is planning field trips to an Engineers Testing Laboratory, to further studies in science.

After Christmas, speakers will address the children on "careers and occupations", each telling about their job; the exciting aspects as well as the not so exciting phases of what they do.

ME
 As long as I live
 I shall always be
 My Self — and no other,
 Just me.
 Like a tree.
 Like a willow or elder,
 An aspen, a thorn,
 Or a cypress forlorn.
 Like a flower,
 For its hour
 A primrose, a pink,
 Or a violet —
 Sunned by the sun,
 And with dewdrops wet
 Always just me.

LOWER SCHOOL

The Lower School Students are enthusiastic about life and want to learn. The aim of the Lower School is to create a place to learn in which trust, love, and stability are uppermost in the actions of the teachers and students alike.

The teachers work together to provide a rich and stimulating atmosphere in which the children experience the joy of learning and the fact that they are loved and important.

Their curriculum is enriched by field trips to museums, nature centers, and theatres. The "Robin Hood Players" performed for the students this fall, in the tale of the Wright Brothers' first flight, "Kitty Hawk".

MIDDLE SCHOOL

MIDDLE SCHOOL

1976-1977

In the Middle School, students, faculty and administration work together to insure the reality of the school philosophy, "Our life force is love." The environment which exists here allows the students both freedom and guidance, which are essential for growth toward social and intellectual maturity.

The major emphasis in the curriculum is on mathematics and language arts. Study skills, so very necessary to success in high school, are stressed. The curriculum also includes social studies, science, French, Spanish, music, art, public speaking, physical education, and a wide variety of mini-courses. The Christian dimension of our life permeates through the Christian formation classes.

The student council has become more involved in the functioning of the school this year. In the fall, Mary Witt and Linda Shaya, the co-presidents of the Middle School, worked with the entire school and the faculty toward developing a change in our disciplinary policy. There have been many special days, and events which the Middle School community won't soon forget. Service days, election day, big sister - little sister activities, concerts, plays, and the class 8 trip to Washington, to mention a few.

We leave all grown this year. We have come to know more fully that Jesus Christ makes a difference in our lives.

ACTIVITIES

THE OKTOBERFEST

The second annual Oktoberfest, sponsored by the Parents Board, took place on October 10, 1976. Several booths were manned by students representing clubs and classes in the Middle and Upper Schools.

Amusement rides, a cake walk, dancing and various foods and beverages were included in the festivities.

AMERICAN EXPERIENCE

American Experience is a learning program initiated by Sr. Sue Rogers six years ago. It is a great opportunity to see the western United States while learning about it first hand. For a five and one-half week period, two groups of seven selected students, accompanied by two chaperones, travel their way westward. Along the way each student meets many people, and lives through the experience of group living.

The advantages of American Experience are innumerable; the life-long friends that are made and the sense of growth one experiences are invaluable.

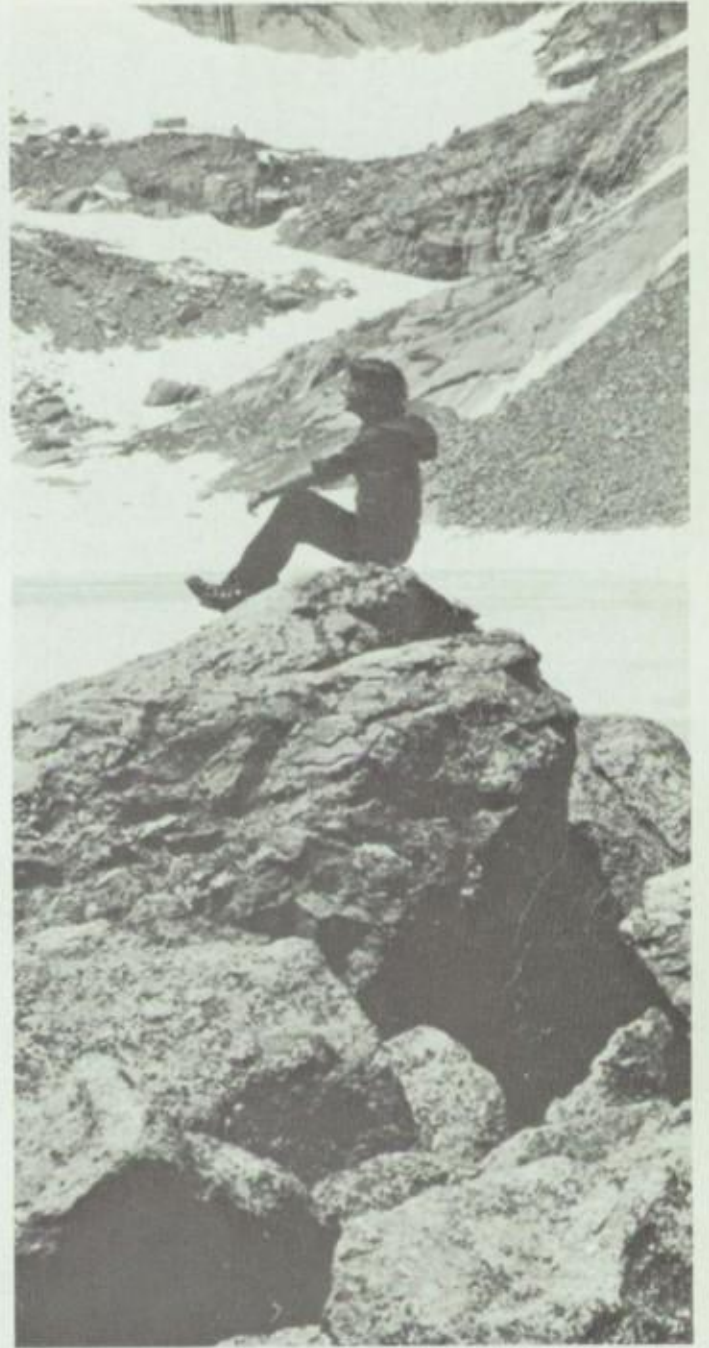

The four chaperones last summer were Sr. Marge and Peggy Meehan of Donne Stewart in Albany, and Mr. Leo Mize and Ms. Elise Tomlinson from the Academy.

The sense of inner peace that comes over one who is sitting on a mountain looking out over the world, is unexplainable. American Experience is an opportunity that should not be passed up.

Project Term Steering Committee

The purpose of the Project Term Steering Committee is to initiate new and creative ideas which could be successfully carried out. The Committee is interested in making the students and faculty enthusiastic about Project Term — making it a time where we can foresee a positive learning experience as well as new challenges and personal growth.

Mr. Mize served as Director for the first time. Along with him, the students and faculty met many a morning before school to discuss new ideas, their workability and whether or not students would benefit from them. The Financial Committee, headed by Colleen Boggs, organized events to raise money, such as a Christmas Tea and an A&P Shopping Day, where a percentage of money went toward Project Term.

Spanish Club

This year, the Spanish Club became an active part in the Upper School. Under the guidance of Miss Cserhalmi, it was able to communicate to the rest of the school the customs and ways of life which are characteristic of the Spanish people. Early in the Academic Year, Dra. America Castillo spoke to the students about her native country, la Republica Dominicana. The next event was held in December when Padre Alberto Banales came to celebrate a Mass recited in Spanish. Through these and other related events, the Spanish Club has given the Upper School students an insight into the Spanish World which is present in America today.

Band and Choral

The Academy of the Sacred Heart music program, under the direction of Ms. Barbara Exline, consists of three performing organizations.

The band is comprised of 35 middle school students and 13 upper school students. This year the band had two performances in the evening and participated in the Michigan School Band and Orchestra Association Band Festival and Solo and Ensemble Festival.

The Middle school choir has 37 members. Performances include two evening concerts, a Christmas program at Somerset Mall, a Christmas program for the alumni, and singing for liturgies throughout the school year.

The Upper school choir has 34 members. They are active in all the performances with the middle school choir.

BELOW: 1ST ROW, LEFT TO RIGHT: Pepi King, Jackie Barbee, Lissa Mazo, Anna Darin, Alex Korab, Kitty Costello, Nadine Deocampo, Lori Conner, Kristen Federline, Diana Napier, Mary Ellen McGough, Teri Bruce, Machele Billingslea. 2ND ROW: La Shelle Chambers, Dawn Skelton, Sherri Yezbick, Lynn Mirabito, Holly Pancost, Leah Rosenberg, Beth Bowers, Meghan McGlynn, Marita Aragonas, Beth Bisignano, Tiffany Kilar, Robin Arcari, Katie Gillette, Angie Cento. 3RD ROW: Lisa Burgess, Kelly Sparks, Jenny Yaw, Melanie AlShabkhoun, Colleen Newton, Miriam Yezick, Cathy Farrington, Mary Margaret O'Neal, Pam Bishop, Linda Shaya, Dawn Moore, Jeannine Palma, Angela Diegel, Claire Duvernoy.

National Honor Society

The National Honor Society is an organization of students whose abilities in the areas of scholarship, leadership, character and service, make them eligible for membership. The 1976-77 school year was a year of transition, however, and with the help of Sr. Maxwell, the procedure for admission was changed. This change allowed more students to enter the National Honor Society.

New ideas are being put into effect which would involve the National Honor Society in more of the school activities. Some of these ideas are tutoring of other students and projects which would draw National Honor Society members from other Sacred Heart schools to our own school.

Student Council

This year, the Student Council is striving towards total involvement within the Upper School. Thus far, this group has gained the support of the students which is evident through the success of the fund raising raffle sponsored by the Student Council, and the enthusiastic attitude shown by all with respect to the Hunger Days. Other endeavors undertaken by Ann Mooradian and the Council are the revision of the Student Handbook, trimester progress reports, the union of club activities, and Christmas Feast Wishes.

The Student Council has maintained a superior standard of responsibility and has illustrated a concern for the welfare of our school. The consistent support and frequent initiation of new programs is helping to create a more organized atmosphere here at Sacred Heart.

Thespians Reveal Talent in Fall One-Acts

The drama department under the direction of Mr. Leo Mize and Ms. Elyse Tomlinson can proclaim the 1976-77 school year a success, with the fall production of "Three One-Act plays" and the spring musical H.M.S. PINAFORE.

With the help of Brother Rice thespians Paul LeFevre, Ed O'Brien, Wilson West, Joe Palms, and Rick Arcari and the Sacred Heart starlets Beany Cliff, and Michelle Mentley, the fall production of the Diary of Adam and Eve, The typist, and Pyramus and Thisby was thoroughly enjoyed by all in attendance.

The musical, H.M.S. Pinafore, still in rehearsal stages as this book goes into the press, promises to be an enormous success.

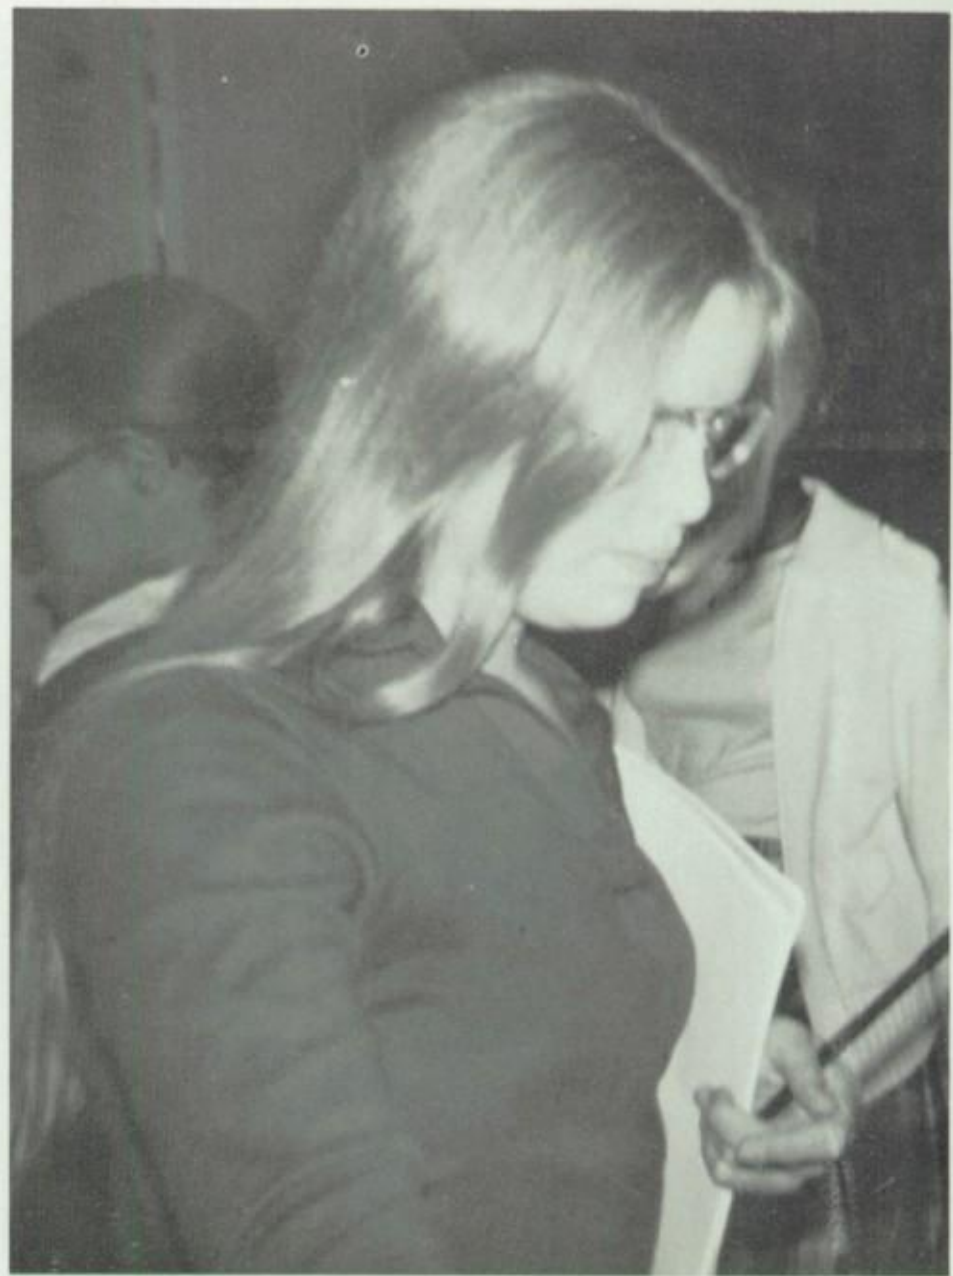

Newspaper

The Squirrel Road Exit has grown this year, not only in staff members, but in interesting ideas, as well. Under the supervision of Mrs. Thornbury and editors Debbie Tomalis and Alexandra Callam, staff members have conducted interviews with some "celebrities" such as Diana Ross and "The Bird". Informative articles are at our fingertips, if we should ever seek them; How-To's, Where-At's, and What-For's included.

Early in the year, certain staff members attended a seminar at Eastern Michigan University. The seminar showed different types of journalistic approaches and how to apply them. Needless to say, the staff members who attended benefited greatly from the experience.

Social Committee

At last, Sacred Heart dances are a success! Under the organization of Kathy Kelly and Colleen Boggs, monthly dances have been sponsored and met with great enthusiasm by both our students and those of local schools.

As another fund-raising source, this year's Social Committee has taken on the responsibilities of last year's Film Club. They have met this challenge by presenting films, such as "Magoo in Sherwood Forest" to our Primary and Lower School students.

We hope that next year's Social Committee will meet with as much success as we have this year.

YEARBOOK EDITORS

When we were elected last Spring to take on the duties of the yearbook, none of us had any idea of how much work we were in for. Working with a completely new core-staff, including a new advisor, put us at a bit of a disadvantage. Our inexperience limited us at first, but with the help of Mr. Allen from Delmar Printing Company, we were able to stand on our own feet and produce a yearbook which we hope will satisfy everyone.

Looking back, we can see how much we have benefited from this experience. We had a few fights, a few laughs, a few griefs, and many memorable moments. All in all, it was well worth the time and effort that went into the publishing.

It should be said that this yearbook would have been impossible without the hard work of our staff. Thanks to all those who stuck to it. Thanks, also, to our friends for their understanding when it was getting late and we were getting nervous and edgy.

YEARBOOK STAFF

SPORTS

This year the field hockey teams, for the most part, again proved to be a great success. Varsity, led by seniors Laurie Quinn, Ellen Doetsch, Ann Mooradian and Marcey Gray, along with juniors Julie "Dule" Bookmyer, Alex Callam, and Barb Beauregard, had a fantastic overall season with 7 wins and only one loss. The Junior Varsity and White teams, although their records weren't quite up to par with the Varsity's, provide the team with great depth. When asked about what the future may yield, Coach Ms. Dritsas replied, "Though our seniors will be greatly missed, with the number of underclassmen now interested in the sport, upcoming seasons promise to be as exciting as the last one." Every year the Varsity team, along with all the other Detroit area girls' field hockey teams, is invited to participate in what is known as "Play Day." The competition took place at Kingswood this year, and the Academy of the Sacred Heart finished in second place, defeated only by their arch rival LIGGETT.

Basketball

This year the Gazelle Basketball team has been successful. Mr. Goebel was able to exercise his excellent coaching techniques with both Varsity and Junior Varsity, which gave both teams a sense of unity and certainly a sense of team spirit.

The Varsity opened the season with a winning streak which was broken only by University Liggett, to whom they lost twice. Retaliation, however, was soon received in their almost record breaking win against Detroit Country Day School 69-10. Surely, a new record of 6 wins and 2 losses.

The Junior Varsity's record, although not as successful as the Varsity's, was outstanding because of the spirit and quality of play which was always present.

Next year the Gazelle basketball team will miss its Seniors: Colleen Boggs, Ann Baer, Kathy Kelly, Laurie Quinn, and Andrea Wasek. However, we can be optimistic about next year because the upcoming Seniors and Juniors showed great skill and promise this season . . .

Volleyball

The V-ball season at this point in the year has not yet ended; and the enthusiastic players of the Jr. Varsity and Varsity teams continue to keep up their excellent performances. Though they have been demoralized by losses to Kingswood and U.-Liggett, the wins have out-weighed them by far. For the first time they have consistently beaten Country Day, Lutheran North and Greenhills. The success can only be due to the constant determination of all these individuals. When there were early morning practices, everyone attended; when it meant staying after school and giving up some of one's free-time, the players did it. The results? A determined, unified, zealous and most of all, a spirited group of young women, who have proven that volleyball is an exciting and challenging sport.

The future still holds surprises, but under the enthusiastic, patient, and diligent leadership of Coach Miss Dritsas, we are REMEMBER: BUMP, SET, SPIKE!!

Tennis

This year was a particularly exciting one for the tennis team. There were losses to Andover and Kingswood, but for the first time in the school's history the tennis team defeated University Liggett. Furthermore, Detroit Country Day and Bloomfield Academy fell victim to our fine players.

In the Regionals, the team tied Marian High for second place. Julie Bookmyer, winner of the regional singles, went on to play in the semi-finals in the State Class B Tournament.

We thank Sister Byrne for her constant effort, participation and enthusiasm as coach. We also thank Madame VanDeKerkoff for assisting Sister Byrne. Most of all, we congratulate the members of the team for their fine performances.

UPPER SCHOOL

FRESHMAN 1976-77

The Freshman class is wide awake and bursting with energy! Being the largest of the four high school classes, the Frosh contribute a great deal to the Upper School atmosphere.

After surviving their "Initiation Week" at the beginning of the year, the Frosh are beginning to settle into the regular routine of classes and high school life.

Each girl is an individual, learning to be aware of her goals and responsibilities, both in school and for the rest of her life.

BELOW: BACK ROW, LEFT TO RIGHT: Meg Brennan, Brigid Donaher, Mimi Fitzer, Meg Brousseau, May Kay Bisignano. FRONT: Vinita Almeida, Susan Beauregard, Brigid Carroll, Judy Appleford, Diane Dolinshek.

SOPHOMORES... "TO BE AWAKE IS TO BE ALIVE"

The Sophomores of the '76-77 school year are already accustomed to the ways of high school life at ASH. Their Freshman year was a learning experience, while this year they are AWARE of the hard work and effort that must be put forth to achieve their goals.

Many of the Sophs are involved in the activities in the school, especially our annual school play, various clubs, and continued support of "Jo Ann", the Foster Child in Italy.

BELOW: LEFT TO RIGHT, STANDING: Sue Markley, Therese Lelich, Mary Kate Heffernan, Tracy Gibbs, Julie Maloney, Crystal Glass. SITTING, LEFT TO RIGHT: Susan Holland, Joya Harris, Audrey Kelly.

JUNIORS . . . "THE GULL SEES FARTHEST WHO FLIES HIGHEST"

Unity, spirit and involvedness are three words that could accurately describe the Junior Class. It is the duty of every Junior Class to produce the yearbook and select a Vice-President of the Student Council. Karen Hunt and Patty Ortiz have the honors to carry out these important jobs.

The Juniors show a great deal of interest and ability in almost all sports. Their active support, spirit and enthusiasm go a long way.

As a class, the Juniors have grown together and accomplished a great deal in their three years of high school.

ABOVE: TOP ROW, LEFT TO RIGHT: Shannon Dolan, Julie Kelly, Alexandra Callam, Patricia Ortiz. BOTTOM ROW: Mary Moynihan, Angela Falls, Julie Bookmyer, Barbara Beauregard, Karen Hunt.

The longer you love, the longer you live
 The stronger you feel, the more you can give
 When it's dying sand, sand in a siene

Some people try to hide,
Keep it deep inside.
For them it is a struggle.
Don't you know it's a lie?
You've got to be the real thing.
Try to listen to your cries.
You are the person
With the answer inside.

So many men seem destined to settle for something small,
But I won't rest until I know I have It all.
So don't ask where I'm going, but listen when I'm gone.
And far away you'll hear me singing softly to the dawn:

Rivers belong where they can ramble,
Eagles belong where they can fly.
I've got to be where my spirit can run free,
Got to find my Corner of The Sky.

Ships that pass in the night,
and speak to each other in passing,
With only a signal shown and a distant

So on the ocean of life we pass and
speak to one another,
With only a look and a voice; then
darkness again and a silence.

So, I wanna laugh while the laughin' is easy
 I wanna cry if it makes it worthwhile
 I may never pass this way again
 That's why I want it with you . . .

Don't tell me not to live;
 Just sit and putter.
 Life's candy
 And the sun's a ball of butter.
 Don't bring around a cloud to rain on my parade.

Say not goodnight,
but in some
Brighter clime,
Bid me good
morning."

Peggy Dore

Oh, I have slipped the surly bonds of earth,
And dared the skies on laughter-silvered wings;
Sunward I've climbed and joined the tumbling mirth
Of sun-split clouds — and done a hundred things
You have not dreamed of and swung
High in the sunlit silence
And, while with silent, lifting mind I've trod
The high untresspassed sanctity of space,
Put out my hand, and touched the face of God.

Life is a mixture
Of sunshine and rain,
Laughter and pleasure,
Tear drops and pain.
All days can't be bright,
But it's certainly true,
There was never a cloud
The sun didn't shine through.
So just keep on smiling
Whatever betide you,
Sincere in the knowledge
That God is beside you.
And you'll find when you smile
Your day will be brighter,
And all of your burdens
Will be so much lighter.
For each time you smile
You will find it's true,
Somebody, somewhere,
Will smile back at you.
And nothing on Earth
Can make life more worthwhile
Than the sunshine and warmth
Of a beautiful smile.

I have my freedom
I can make my own rules
O yeah, the ones that I choose . . .
But sometimes you have to moan when
nothing seems to suit yer, but nevertheless
you know you're locked towards the future.
So on and on you go, the seconds tick
the time out. There's so much left
to know and I'm on the road to find out.

 By the way you use today.

NEW! 2-CYCLE METERING ROD

FROM IDLE TO "ALL-OUT" WITH NO FLAT SPOTS!!!

Revolutionary . . . precisely describes the Lectron metering rod, which replaces all jets and needles in old-fashioned carburetor fuel systems.

Two-cycle engines have a different fuel requirement when they heat up than when they are cold, especially when they are used for motocross, trials, trail riding, etc. The new 2-cycle metering rod is designed to richen the midrange and avoid engine seizure.

Lectron's new 2-cycle metering rod eliminates "flat spots" in immediate acceleration response and makes possible a single-fuel circuit carburetor, that takes you from idle to all-out with a smooth, uninterrupted flow of air and fuel! Kenny Roberts, Rick Hocking, Mike Kidd, and many other professional riders found it "more responsive in all gears," no wonder they chose it over other top carbs. More combustible atomization means maximum power with leaner mixtures for outstanding fuel economy.

Kenny Roberts calls it the "heavy breather" . . . and the Lectron carburetor lives up to the name. It gulps in huge drafts of air to produce a perfectly atomized fuel/air mixture. Its precisely engineered Guillotine Slide chops off airflow for split-second shutdown. The Fuel-Vu™ transparent float bowl allows you to check the fuel level at a glance, and detect impurities, too. The Lectron carburetor is made in America . . . you can't buy a better one . . . anywhere! Only \$79.50 at your local dealer.
